

CHEMINEES PHILIPPE CLAIRVAUX FREESTANDING

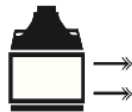

A smaller, quainter version of its larger counterpart the Horama, comes the latest streamline firebox from Cheminees Philippe, the French made Clairvaux. Beautifully combining design and function, this compact version can certainly hold its own with its panoramic glass viewing area and quality-controlled cast iron, ensuring extended heat retention and radiation for hours of warmth and enjoyment. *Available with a solid cast iron door profile (pictured above) or Vitre black line glass door profile.*
