

OPTI-V®

THE MOST REALISTIC ELECTRIC FLAME

Opti-V® is the redefinition of the electric fireplace, expanding the realm of possibilities where traditional wood or gas flame installations are not possible. Design without limitations to create a flame feature that completes your perfect room. Available in two sizes, the Opti-V Single and Double transform even the most sophisticated of rooms into positively stunning spaces guaranteed to impress and inspire.

High definition video and a three-dimensional illusion creates dazzling flames that flicker between the logs.

Enjoy a more complete sensory experience with the sound of natural wood fire.

Designed with the sole purpose of providing a stunning visual flame feature.

The most sustainable fireplace option; with no emissions.

Uses less than 100 watts for incredibly low-cost operation.
